Please join us for an Inter-professional scenario-writing workshop. In this workshop participants who want to develop a scenario for a specific course will bring in a course syllabus. From the syllabus program, level, and course objectives we will utilize best practice in writing simulation-learning objectives. In addition, we will thoughtfully time the delivery of the simulation scenario after the week content is delivered in the lecture course.

Learning Objectives:

Scenario Writing:

Participants will be able to:

- 1) Develop simulation learning objectives from course learning outcomes and objectives
- 2) Write a high fidelity simulation scenario based on simulation learning objectives
- 3) Enter the simulation scenario on a template
- 4) Pilot the scenario
